

## COMMUNITY MENTAL HEALTH REGISTERED NURSE

Due to rapid expansion, we have a vacancy for a full time Registered Nurse. New graduates are welcome to apply for this position.

### **About Us**

Pukeko Blue Ltd was established in 2001 and provides community group residential care for Service Users with mental health, intellectual disability or physical disabilities. We offer a supportive team environment where you will be provided with ongoing training and development to meet the needs of the role.

### **About the Role**

You will be part of a dedicated clinical team. You will have paid monthly clinical supervision. The shift rotation will be four days on / two days off, with an on-call component.

The role will require you to provide sound clinical assessment skills including physical and mental health with daily visits to houses to assess the Service Users and to work with them to develop and review care plans. You will also be required to manage challenging behaviours and complex situations, along with management of events that occur within houses. You will also provide support to the staff in the houses and answer questions regarding Service User care.

New graduates are welcome to apply as you will be fully supported with a thorough orientation by our clinical team.

### **What we require from you**

- A full, current New Zealand driver's licence
- A current practicing certificate
- New Zealand citizenship or permanent residency
- Nursing qualification (new graduates can apply)

### **Key skills for the position:**

- Excellent risk assessment skills
- Attention to detail
- The ability to manage a complex workload
- The ability to develop individualised care plans for our Service Users
- Confident in own ability to respond rapidly to deteriorating presentations of acute, mental or physical health
- Developing skills as a staff mentor/educator
- The ability to work alongside a diverse range of people with different support needs

### **Personal Qualities:**

- Professional and committed to those we care for
- Problem solving skills
- Time management
- Excellent organisational skills.

**To apply send your CV and cover letter by Thursday 9 December 2021
